

Mountain Memories Association
55th Annual Fiesta Days
Frazier Park, CA - August 4-6, 2023

Support & Sponsorship Information

Dear Neighbor,

Mountain Memories Association hosts three annual events.

Fiesta Days is the longest running event in the Frazier Mountain Communities. The festival began humbly in 1968 to raise funds to improve medical services to the community and has since grown to become an established summer event held annually the first full weekend each August. Thousands of patrons from Kern, Ventura and Los Angeles counties gather at the Frazier Mountain Community Park for a weekend full of live entertainment, family games, vendors, carnival rides, a horseshoe tournament, parade and more.

This 55th year of family fun and entertainment is (tentatively) entitled **Keep History Alive for 55**. The event is held at Frazier Mountain Park the first full weekend in August, this year over the weekend of August 4, 5 & 6, 2023.

The Mountain Communities Holiday Faire and Fantasy of Lights Parade, is our annual winter holidays event hosted the first Saturday in December in downtown Frazier Park, this year Dec. 2.

The **Ridge Route Run Car Show** has been a staple of the mountain communities for the past 12 years. We have decided to continue the tradition of this Memorial Day weekend event; with the 13th annual event being held Saturday, May 27, 2023 in downtown Frazier Park.

We are asking for your support of these time-honored events with sponsorship donations. All donations help subsidize the costs for our traditional events and allow us to contribute back any proceeds to the community in the form of scholarships, equipment purchases and funding the needs of other local groups and individuals. All donations are appreciated, and we have several levels for your consideration.

Best Regards,

Rick
